

Welspun India

Strong operating performance

Benefit of capacity expansion will flow in from Q3

Welspun India (WLSI IN) reported muted sales growth of 4.2% in Q2FY16. Sales was primarily driven by volume growth of 5.0%, with flat realization and a currency impact of 1.0%. Domestic sales (5% of consolidated revenue) grew by 35% YoY. Capacity constraints and high base were key reasons for muted top-line growth. The benefits of capacity expansion in bed linen and terry towels are expected to flow in from Q3FY16. Bed linen capacity expansion from 60mn meters to 72mn meters will be available in Q3FY16E. The terry towels segment will see incremental capacity of 5mn tonnes, up 10% each in Q3FY16E and Q4FY16E. Management maintains sales growth guidance of 13-15% in FY16.

Robust operating show on lower RM cost & change in product mix

Gross margin expanded by 568bp to 53.2% on lower raw material costs and a change in product mix. However, higher other expenses, due to forex loss of INR 100mn, and an increase in employee cost minimized EBITDA margin expansion by 300bp to 25.4%. Interest cost declined by ~30% YoY to INR 515mn based on the fall in the base rate, the benefits under Gujarat's textile policy and the issuance of commercial paper at a sub-base rate. However, depreciation cost surged by 28% YoY, due to capitalization of the vertical integration projects, and a part of the modernization project. Gross debt was INR 29.8bn while net debt was at INR 24.3bn in Q2FY16. Margin expansion and lower interest cost have driven net profit by ~33% to INR 1.7bn.

Valuation – reiterate Buy with a target price of INR 1,127

We believe Welspun is slated for a rerating, owing to 1) sustainability of 20%+ earnings growth, 2) high ROE, 3) a new dividend policy with a 25% payout, 4) free cashflow generation of INR 8.3bn over FY16-17E, and 5) a likely fall in the net debt-equity ratio from 1.9x FY15 to 1.2x FY17E despite having capex of INR 13bn over FY16-17E. We expect a revenue CAGR of ~16% over FY15-17E, owing to healthy sales volume growth across terry towels, bed linen and rugs. We reiterate **Buy** with a target price of INR 1,127 based on an average of 14x FY17E EPS of INR 80.3 and 8x FY17E EBITDA of INR 17.5bn.

Rating: Buy

Target Price: INR 1,127

Upside: 48%
